President's Report

HELLO AND HAPPY NEW YEAR TO ALL !

I very much appreciate all of your confidence and will do my utmost to serve you and this chapter in its best interest at all times. Thanks to Jim Lane and the Board of Directors the transition is going very well for me, unless I am totally in the dark! Seriously, I do appreciate the members who have already helped me better understand the workings and the resources of the chapter.

As one of my beginning tasks I am now involved in the paper issues for the chapter which represents us in turn to the national EAA Headquarters. Thanks to Jim's record keeping I can see some of the changes that have occurred and are still occurring in the required chapter documentation which can and will serve and protect us better. We can also take better advantage of what help and support is being offered on the national level. For starters I plan to do this through such things as the EAA-sponsored Speaker's Bureau and the like.

Thank you all again,
Sincerely,
Carl Patturelli

Secretary's Report

There is no Secretary's Report this month because the December meeting was cancelled due to bad weather.

Supper Meeting

Our regular January monthly meeting will be a supper meeting. The fare has not yet been announced, but food will be served from 6:00 to

7:30pm. There will be a \$5.00-\$8.00 charge for supper, not a donation. Roger Roy is coordinating the event.

Aviation Publications

Bob Whittier often goes to Plymouth airport and sees that the CAP squadron there has done a good job of fixing up the office building formerly occupied by the Alpha One flying school. He recently took them a pile of unwanted avmags to let the teen age cadets browse through

them. This is a simple but effective way to help young people develop a strong interest in aviation. So Bob asks Chapter 279 members to bring their unwanted avmags to the next meeting. He will take them to the CAP.
