Chapter Monthly Meeting: Second Friday of the month at 7:00 PM
Breakfast Fly-in: Third Sunday April through October

Dear Friends and Members,

We finally got a stretch of good flying weather. I hope you've all been getting your fill. I can't believe the year is half-way gone.

In June, we didn't do as well for the Father's day fly-in as we had hoped, but it wasn't a total wash either. Hoping for a better turn out at the July fly-in.

I want to thank our Young Eagles committee for planning and organizing a successful YE flight event last June.

In total, we flew 28 kids. The following weekend, I managed to add two more YE flights while up in NH. So now the chapter has 30 credited. Thanks to the Plymouth Aero club as well as all of the pilots who participated in flying kids.

Thanks for reading and hope to see you at the July fly-in!
Mike

Father's Day Fly-In

It was a bit of a shame that the weather was not as bad as the forecast which appears to have kept many people away. Not a bad morning at Cranland though.
