Breakfast Fly-in: Third Sunday April through October

These Two!!

EAA 279 Fly-in Lunch

As you may well know we are in the midst of a pandemic that has kill nearly one out of every 1,500 people in the U.S. The response to the pandemic has certainly had a negative effect on our fly-in breakfasts. We did manage to pull them off in August and September but at this point we are really missing the earlier ones. Well, didn't Mike Lupo and Sue Harris step up to the plate with a fly-in lunch on October 3rd? It was a fantastic success. The weather was near perfect and a bunch of planes showed. Word had gotten out enough that pretty much all the pulled pork Mike had smoked and the potato salad and coleslaw he procured was eaten. Hats off to Mike and Sue! Let's talk about making this an annual thing. Shout out to everyone else who helped pull this off.
